TELEPHONE No. 12.

Hongrong, August 5th, 1889. THE British Government has it must confessed, been left in the rear in the matter of Treaty revision in Japan. Prince Brs. Nagssaki, for Hongkong. MARCE saw what was coming, and was determined that the United States should Excellency the Governor has appointed, pronot be abead of Germany. England and visionally, Mr. Ernest Joseph Mougens to be France, compelled to follow the lead thus ment vice Mr. Edward Jones, promoted. set them, are now negotiating new treaties. which will doubtless be, on the same lines as those of Germany and the United States, then days, so empty as it was yesterday mornand will probably come into operation at the same time, namely, in February, 1890. This revision of the Japanese Treaties has been foreseen for some years, and the Japanese Government has long been working to that end, has made sacrifices, and sought to bring its administration up to Western standards, has prepared a new code, has shewed a net profit for the past year of \$21,685.66 given guarantees, and has shown every desire to meet European ideas. The Japanese showing a friendly disposition to foreigners whenever the latter mix with them. It is not too much to say that a foreigner who behaves himself can travel through the he will have to endure, and that in few places. may be indifference or a tendency to aqueeze bim. In this respect he will have little to gagement that the complete abolition of Con. thee is a Chinese puzzle." aular jurisdiction shall not become a fait of trade, travel, and residence in every part of advantage taken of this except for purposes trade not at present upon to foreign comrevised on a Jupanese basis, and it is said that the import duties will be increased from about 4 per cent, at present, to 10 per cent.

trade or act prejudicially on both, the step has been taken, and the plunge has not been made without some premeditation.

What foreigners in China will be most concerned to know, however, in connection with this great change in the relations between Japan and foreign countries, is, how wil it be regarded in Peking ? Is it likely that the charge will be regarded there with indifference? Will the Chinese Government. which, very wrongly and without reason, The greatest attention has been paid to has been accustomed to look down upon Japan with supercilious contampt, calm-

best her elevation to equality with Western countries, while the Central Kingdom is still treated as a semi-civilized to the bulkhead abaft the foremast was full of country? We think not. The Peking Government dare not tear up the existing | 29th ultimo. It appears that the Sungkting treation and dely the Powers, but they will left Swatow two hours shead of the Kaifong and sulk and refuse any and all concessions to owing to the fog. The attempt to get the foreigners, treat their Representatives us Kaifong off soon succeeded, for the arrived in naught-they do this already it seems to us. notably to the case of Sir John Walsham, who might be a wooden doll for all the influence he seems to have-and render the residence of foreigners in China as unpleas - respective Banks, are published for general inant and as unprofitable as possible. The Tsungdi Yau 84 may, too, imitating the tactics of Japan, attempt to force on matters by concluding a treaty on squa. terms with some State like Mexico, with no interests to surrender an no clizens whose safety might jeopardised by being made subject

Chinese jurisdiction. What sort of jurisdicf which can ensite be verified by the curious who care to make the trip to Canton. It is devouly to be hoped that no Western Power, with a greedy eye for contracts or new openings for trade, will attempt to spring a surprise on the rest by concluding a secret ritoriality. The circumstances prevailing in Chin, and Japan are widely different. The former has done absolutely nothing to reform her code or procedure; and her prisons are a foul disgrace to humanity. In these days of commercial competition, it is possible that some Power may be found ready to risk everything for pecuniary advantages. We sincerely trust that such may not prove to be the case, but there are not wanting signs that the "concert" is bresking up, and if a rich bait be dangled before them it mas perhaps not be long before an undignified scrumble for first place ensues among the Treaty Powers. O tempora! O mores! Alas! for the good times when national prestige and bonour ranked higher than considers. tions of rail contracts and piece goods! But things being as they are, and the circumstangs being to longer the sport of men in the Far East, it will be well for Lord SALIS-Hongkong, China, and Manile. 1-19 Buzz to keep a bright look out on the course or events in this distant corner of the globe. and to this end he should have a representaive all eyes and ears, and not a mero plod-

MOUTH-BLAPPING AND ANKLE-SMASHING. HOW HEADS ARE CROPPED OFF IN CHINA. (From our Travelling Commissioner.)

shambles where human beings are shoughtered fell in a heap. They rolled him off the chain with my pen. Therefore, gentle reader, unless healthily gory, pass this letter by. Turn rather incapable of even standing and had to be dragto the harmless editorial.

city I have seen, a colossal human ant-bill, an however, was either not true enough or not endiss labyrinth of streets a dozen feet wide and a score high, crowded from daylight to dark a pleasing little instrument received exclusively with a double stream of men and women, exactly like the double stream between an ant-kill and a carcase. All this mass of humanity is presided China, and therefore it may be imagined what is the temper of the populace, especially as the Cantonese are the most turbulent people of the Flowery Kingdom.

During the day the streets of Canton are in semi-obscurity, as they are closed in at the top by broad strips of cloth and long advertising streamers; but at night they are as black as Tarthem in the list of first class risks, and gives as a as you have rejoined, and I submit them to the targs. Public safety and order are supposed to be preserved by occasional posts of soldiers, with a collection of weapons and instruments of tortore hung up outside to strike terror into the vossels, because they are not subject to an over- remainder of these present holding up their evilly-disposed. But, as may be imagined, crime | Chinese justice that is the great revelation, I of every kind is rife in Canton, and so bad is the am inclined to think that nobody can claim to reputation of the place that very often a servent | Chinese character who has not witnessed a Chinese from another part of China, travelling with his execution. This is not difficult to do at ( anton, accompany him there. And where the crime is. there is the punishment too. It by 10 means follows in Chine that the person punished is the criminal, but there is enough cruelty in Canton to glut an Alva. Respect for the presence of an occasional foreigner causes a good deal of it to be hid, and the spectacle of a man hung up in a cage to starve to death in public is not a common one there as it is in other parts. But I think I can describe enough to satisfy you.

The magistrate eat in his Yamen dispensing

an enormous pair of spectacles. He glanced up coolies, however, plungs straight into it and it at na as we entered, visibly annoyed at the intrusion and hardly returning our salutation. group of soldiers. Before him was a large open there. There is no platform, no roped off space, menly fortitude, and I assure you, gentlemen, Company, on Wednesday, 7th August, at 4 space and a motley ground and a motley g conspicuous figures were the fifthy blackguards, crowded with Chinese that we are forced into the in red hats, known as "Yamen-runners," whose middle, not more than four feet from whatever business is to clear a way before their master in is to take place. It is no use to try to get the streets and do anything else that he wishes, further off-here we are and here we must stop. amounts to \$14,424.18, the sum of \$19,400.90, having down to the administration of torture. The Suddenly be gates are thrown open again, been disbursed at Soughie Dua; mostly in advances to magistrate himself sat perfectly silent, writing and wilcomed by a howl of delight from the Miners, and in stores and provision, for them, nearly busily, while several persons before him gabbled crowd a strange and ghastly procession comes busily, while several persons before him gabbled growd a strange and ghastly procession comes all at the same time. These were presumably tumbling in. First a few ragamufflo soldiers, the plaintiff, the defendant, and the policemen. making a fine pretence of clearing the way one, and I sincerely hepe and trust that our holders will agree that insurance should be given ed in a sincerely hepe and trust that our holders will agree that insurance should be given ed in a sning up the mine at Ponjom, and a number After a while the magistrate interrupted one of Then a file of coolies carrying the victims in of drive from the shaft were driven, in some of which the speakers with a monosyllable spoken in a low small shallow baskets slung to bamboo poles.

Shallow baskets slung to bamboo poles. was magical. The crowd fell back, and one of space they stoop and pitch their living burden the little group in front of the chair wrung his out and run off. The prisoners are chained hands and heaved a theatrical sigh. Before we hand and foot and are perfectly helpless. The

"secommodated with a chair." 195.93 himself, assumed the regulation attitude and the and evidently as sharp as a razor. 043.18 the blown sounded altogether different from executioner takes aim. Then it falls. There is 580.88 before, much charper and chriller, like wood no great apparent effort. It simply falls, and 3,943.99 falling upon wood, rather than wood falling upon moreover seems to fall slowly. But when it 117.08 flesh. So I drew near to examine. Sure enough, comes to the mun's neck it does not stop, it keeps 804.96 there was a vital difference. The policeman had on falling. With ghastly alowness it passes 84.80 attached a small piece of wood to his leg by right through the flesh and you are only recalled 4.222 18 means of war, and on this the blows fell, taking from your momentary stupor when the head 1.807 58 no more effect upon his person than if they had springs forward and rolls over and over, while 146,68 was been delivered on the sole of his boot. The for a fraction of a second two detailing jets of fraud was perfectly transparent-every body in scarlet blood burst out and fall in a graceful curve \$406,071.99 the room, including the magistrate himself, must to the ground. Then the great rush of blood have known what was happening. Thus another comes and floods the spot. As soon as the blow peculiarity of Chinese justice is evidently that has fallen the second executioner pitches the 2,432.40 the publishment of an ordinary offender is one body forward with a loud "Hough;" it tumbles thing, while that of an erring official is quiet in a shapeless heap, and from every throat goes another. I learned that the policeman was up a loud "Ho," expressive of pleasure and ordered to be bambooed for not bringing in approval of the stroke. a prisoner whom the magistrate had ordered him But there is no pause, the executiouersteps over to produce. When the sham punishment was over the corpse to the front man in the second rank,

were going on in another part of the court-room, unnoticed by us. The bamboo is not so very far removed from still existent civilized deterrent methods, but what was now before us re-10.00 called the most brutal ages. In one corner & 12,408.90 man had been tied hand and footon a small bench the length of his back, in such a manner that his body was bent as far back as it could possibly be stretched in the form of a circle, his back resting 4,912.50 on the flat seat of the bench and his arms and egs fastened to the four legs. Then the whole affair, man and bench, had been tilted forward till it rested upon two feet and upon the man's 136.78 two knees, almost falling over,—almost but not 298.48 quite. The position of the miserable wretch was as grotesque as it was exquisitely painful his hands and feet were blue, his eyes protruded his month rasped convulsively like a dying fish, and he had evidently been in that position so 217.49 long that he was on the eve of losing conscious-342.53 ness. And he was apparently forgotten. A 2,951.62 few hoys stood guzing at him open-monthed, 225.48 but nobody elso paid any more attention to him than if he had been a piece of furniture. This was enough for my companions and they 440.42 left the room. But how is the Western world to know what the Celestial Empire really is unless people are willing to see and hear of its imnu-

merable horrors? The utterly mistaken notion

of China which is so wide-spread at home is due

in great part to this very unwillinguess to-look

In another corner au unfortunate creature

so well called the "rotten East."

"enting bamboo," far different punishments

was undergoing the punishment called " kneeling on chains." A thin strong cord had been fastened to bis thumbs and creat toes and passed over a hook in an apright post. Then by pulling it sufficiently is was of course lifted off the ground, his knees being the lowest part of his body. Under them a small chain, with sharpedged links, had nort been coiled in a circle as a natty sailor coils a rope on the deck. The cord had then been clackened till the whole weight of the man rested upon his knees and his knees rested upon the chain. The process seems simple but the result is awful. And this man had been undergoing a prolouged course of torture. Amongst other things, his ankle-bones had been cracked by being hammered with a piece of wood Reader, be warned. I have looked upon men shaped like a child's cricket but. His tortures being ornelly tortured; I have stood in the him. Two attendants lossened the cord, and he rubbed one of his knees vigorously for a couple your perves are fairly strong and your taste of minutes. But it was no use, he was utterly ged away. As we passed out, a woman was before the magistrate, giving evidence. Her testimony, had recourse to the "truth compeller." This is for the fair sex, shaped exactly like the thick sole of a slipper, split on the solo part and fastened at the heel. With this the witness received a slap across the month which rang out like a

It is only fair to add that the Chinese have s sort of rational theory of torture, although they are far from adhering to it. Br Chinesa law no prisoner can be punished until he has confessed his guilt. Therefore they first prove him guilty and than torture him until he confees a the accuracy of their verdict. The more you reflect on this logic the more surpri ing it becomes. To assist in its comprehension I procured, by the aid of the Consul and a couple of dollars, a complete set of instruments of terture,-light hamboo, heavy bamboo, anklesmasher, mouth-slipper, thumb-squeezer, and anadry others. It is, however, the last set of the drame of

master, will rather forfeit his situation then | for the Canton river swarms with pirates, and when these gentry are caught they generally get short shrift. A few bambooings, to begin with, then several mouths in prison-and it is not necessary to explain what a Chinese prison iswith little to cut and a stiff course of torture, and then one fine morning a "short sharp shock" at the execution ground. If you care to accompany me there I will try to place the scene before you. The execution-is fixed for half-past four, so at four the guide comes for us at Shameen, the Foreign Quarter of Canton and our chairs carry us rapidly through the noisy alleys of the native city. Until we get close to the spot there is no sign of anything unusual. There suddenly we instice. He was a berievolent looking man of run into a jammed crowd at the end of a long perhaps forty, with an intellectual forehead and particularly narrow street. The chair-

ners" stepped forward with the bamboo, a strip paper in a split bamboo stuck into their pigtail; of this toughest of plants three feet long, two upon which is written their crime and the warinches wide, and balf an inch thick. Squatting rent of execution. One after another they arby the side of the victim and holding the bamboo rive and are slung out. Will the procession perfectly horizontal close to the flesh, he began never end P how many can there be? this is more to rain light blows on the man's buttocks. At than we bargained for. At last over the heads first the performance looked like a farce, the of the crowd we see the hats of two petty manblows were so light and the receiver of them so daring, and behind them the gates are shut. indifferent. But as the shower of taps continued The tale of men is fifteen, and the executioner STEAR LAURON. Indifferent. But as the shower of taps continued. The tale of men is fifteen, and the executioner. Unfortunately our stern wheeler Sri Pahang was with monotonous persistence I bethought me of has arranged them in two rows, about two yards ience, the old fleudish torture of driving a man mad by spart and all facing one way. All except one The lineurance Companies have paid the \$ 0,000 letting a drop of water full every minute on his seem perfectly callous, and he had probably been shaved head. After a few more minutes of the drugged with opinm, a last privilege which the which is to cost \$10,00.

The Capital of the Company has been increased by green broke from the prisoner's lips. I walked They exchange remarks, some of them evidently the issue of 20,000 fully paid up shares of \$10, over to look at him and saw that his ficah was blue chaff, with the apoctators, and one man was under the flogging. Then it became congested carried in singing and kept up his strain almost with blood, and whereas at first he had lain quiet to the last. The executioners—there are now of his own second, now a dozen men were holding two of them-step forward. The younger tacks him tight. The crowd gazed at him with broad up his trousers and sieves and deliberately Partner of Mesors James Morrison a Co., to set for grins on their faces, breaking out from time selects a sword from several lying close by while to time into a suppressed "Hi yah" as he the other, an older man, collects the strips of writhed in special pain or oried out in agony, paper into a sheaf and lays them on one side. And all this time the ceaseless shower of blows Then he places himself behind the front continued, the man who wielded the bamboo put man of the nearest row and takes him by the ting not a particle more force into the last stroke shoulders. The younger man walks forward than into the first. At length the magistrate and stands at the left of the kneeling man. dropped another word and the terture stopped as The fatal moment has come. There is an inst-suddenly as it had begun, the prisoner was lifted ant's bush and every one of the two rows of to his feet and ied across the court to lean against | condemned men behind twists his head round the wall. For obvious reasons he could not be and granes his neck to see. I will not attempt to describe the emotions of such a moment—the Thenextperson to be called up was a policeman horror, the awful repulsion, the wish that you The magistrate put a question or two to him and had never come, the sickening fear that you will listened patiently for a while to his rambling be splashed with the blood, and yet the helpless and effusive replies. Then as before the fatal fescination that keeps your eyes glued to every monosyllable dropped from his lips. With the detail. The knife is raised. It is a short broadgreatest promptitude the policeman prepared bladed, two handed sword, weighted at the back flagellation began again. · TOST-GFFICE NOTICE:

delivery. Letter boxes have been placed in the tram cars and correspondence will be delivered by the twelve and four c'clock cars only. Local rates will be charged. Corres. pondence addressed to the Peak may be posted in the General Post Office up to 11.30 s.m. and 3.30 p.m., or in the Letter Boxes in the cars till time posted in the General Post Office only up to 11.30 a.m. and 3.30 p.m. There will be no Sunday delivery. Covers containing bank notes, jewellery. &c., should not be posted. To avoid robbery senders of letters are requested to cancel their stamps by writing the word 'stamped' across them.

. When Correspondence has been missent or delayed (both of which are liable to happen coessionally) all that the addressee need do is to at 7 p.m., or as the case may be, and forward in without any other writing whatever, to the Postmaster-General. This should be acted on the first time cause of complaint occurs; it is a mistake to let such matters pass for fear of giving trouble, a course which generally gives. more trouble in the end.

The Postal Guide for 1889, revised to date. will be found in the Daily Press Directory. p. 739 of both editions, is the only authorised complete Summary of Postal information pub. The authorised List of Mails issued in

connection with this paper is the one published corrected to a much later hour than that given A. MATE WILL CLOSE. For Straits Settlements.—Per Inhigenia, to-
